

99% of Us All

(99 bottles of beer) lyrics by Sandy Pliskin

Chorus:

99 PER cent of the folks in this land

99 PER cent of us all

You bled us dry, so we occupy

99 PER cent of us all

43 PER cent of the wealth in this land, 43 PER cent of it all

Is in the hands of the 1%, 43 PER cent of it all.

Chorus

400 families in this land, Own more than half of the rest

You bled us dry so we occupy, 99 PER cent of us all.

Chorus

Point three six PER cent of the of the folks in this land

Point three six PER cent of us all

Fund all the campaigns throughout this land

So an occupation's called. (or, So we occupy on Wall [Street]).
