

# **Bernie's Jingle Bells**

lyrics by Leslie Hassberg and Nancy Schimmel

## **Chorus**

**Jingle Bells, Bernie tells the truth for all to see,  
The rich are getting richer and there's less for you and me,  
Jingle Bells, Bernie tells us there's a better way,  
Big money out of politics, give everyone their say.**

**He's dashing through the states, the crowds are on their feet,  
If the press ignores him we will Facebook, blog and tweet,  
His policies are strong and clear, our future, his concern,  
Us volunteers are legion, join the movement, feel the Bern!  
(Chorus)**

**Bernie needs your help to reach Nevada Dems,  
So grab your phone and call, and rope in all your friends.  
The website tells you how, it's easy and it's fun,  
Let's get those caucus voters out 'cause Bernie is the one!**

**(Chorus)**
