

# **Oh, What a Lovely Election**

Tune: Oh, What a Beautiful Morning by Richard Rogers

New words: Nancy Schimmel

**The Supreme court is lacking a justice  
The Supreme court is lacking a justice  
McConnell is trying to feed us a lie  
The Koch boys are shopping, a Senate to buy...**

## *Chorus*

**Oh what a lovely election,  
Oh what a beautiful day  
I've got a wonderful feeling,  
The Senate is coming our way**

**The Republicans plan their obstructions 2x  
They know they have got a Supreme Court to lose  
But they can't fool the people, we know how to choose,**

## *Chorus*

**There are candidates needing donations 2x  
There are doorbells to ring and the phone banks to fill  
And rallies to plan, well, you know the drill...**

## *Chorus*
