

BYE BYE COAL

(Tune of Bye Bye Love by Felice and Boudleaux Bryant /recorded by the Everly Brothers)
New words by Bill Pinkham and Bonnie Lockhart

CHORUS:

**Bye bye coal
Bye bye filthiness
Hello healthiness
Bye bye to coal, goodbye
(sing chorus twice)**

**Old Phil Tagami, he had a plan
He'd transport coal trains through West Oakland
But the city council told him "No way!"
That coal in Utah is there to stay**

**So Phil is suing our coal-free town
But his coal lawsuit is going down
'Cause we want Oakland to be coal free
And we believe in democracy**

**So Phil Tagami, your plan's a bust
We'll have new jobs here without coal dust!
So drop the lawsuit, and be a sport
Let's bring some clean jobs to our home port**
