Chevron's plant sitting on our hill

Che chev ron ron ron Che Chev wrong wrong
But will they take care of us if there's a spill
Che chev ron ron ron Che Chev wrong wrong

Yeah -- they're on our hill

Yeah -- what if there's a spill
No, they don't walk the walk,
Che chev ron ron ron Che Chev wrong wrong

They care for the environment -- that's what they say

Che chev ron ron ron Che Chev wrong wrong
But they're the biggest gas polluters says the EPA
Che chev ron ron ron Che Chev wrong wrong

Yeah -- that's what they say

Yeah -- says the EPA
No, they don't walk the walk,
Che chev ron ron ron Che Chev wrong wrong

They say helping communities is their intent

Che chev ron ron ron Che Chev wrong wrong
But their local hire rate is less than seven percent
Che chev ron ron ron Che Chev wrong wrong

Yeah -- it's their intent

Yeah -- less than seven percent
No, they don't walk the walk,
Che chev ron ron ron Che Chev wrong wrong

They make their money and pollute our air

Che chev ron ron ron Che Chev wrong wrong
But when tax time comes they don't pay their share
Che chev ron ron ron Che Chev wrong wrong

Yeah -- pollute our air

Yeah -- they don't pay their share
No, they don't walk the walk,
Che chev ron ron ron Che Chev wrong wrong
