Time to ta-ake command - Fight the status quo!*

As demonstrations swelled in size (fight the status quo) *Chorus***

**News spread by e-mail, facebook, tweet (fight the status quo)
As people gathered in the street (fight the status quo) *Chorus***

**We work for rights, for what is fair (fight the status quo)
At Occupations everywhere (fight the status quo) *Chorus***

**So now change comes before our eyes (fight the status quo)
This happens when we organize! (fight the status quo) *Chorus***
