

GROWING CLIMATE MOVEMENT

(Music: Proud Mary by John Fogerty, new words: Bonnie Lockhart)

If you go down to Lake Merritt (the demo)

Bet you're gonna find some people who care

People need the power

Got to seize the hour

New York City, Oakland and everywhere!

Big Oil can't keep burnin'

We got the tide a'turnin'

Growin', Growin, Growin' climate movement (X2)

We can make jobs in the city

We don't have to burn those fossil fuels!

There is wealth aplenty

Use it for the many

One percent won't keep on makin' rules

Big Oil can't keep burnin'

We got imagination

We can build up new technology

With a common vision

Make a just transition

Workplaces with real democracy.

Big Oil can't keep burnin' . . .
