

# Occupy Pie

Tune: “Da Do Ron Ron” by Jeff Barry, Ellie Greenwich, Phil Spector

New words by Nancy Schimmel

We’re tired of the cycles of boom and bust,  
We’ll occupy-pie, we’ll occupy.  
The dough is only rising for the upper crust,  
We’ll occupy-pie, we’ll occupy.

—Oh, the boom and bust,  
—Oh, the upper crust,  
—And if you take our homes  
We’ll occupy-pie, we’ll occupy.

It isn’t cherry and it isn’t lime,  
It’s occupy-pie, it’s occupy.  
It’s your just deserts and it’s just in time,  
It’s occupy-pie, it’s occupy.

—Oh, it isn’t lime,  
—Oh, it’s just in time,  
—And if you take our homes  
We’ll occupy-pie, we’ll occupy.

There’s a slice for you and a slice for me,  
It’s occupy-pie, it’s occupy.  
This here pie will set the people free,  
It’s occupy-pie, it’s occupy.

—Oh, a slice for me,  
—Oh, set the people free,  
—And if you take our homes  
We’ll occupy-pie, we’ll occupy.
