

Singing for Us All

Tune: Bringing In the Sheaves, new words: Nancy Schimmel

Chorus

**Singing for us all, singing for us all
Singing through the dark times,
Singing for us all... (repeat all)**

**Singing for the Muslim, singing for the Buddhist,
Singing for the Christian, singing for the Jew,
First they come for strangers, folks you'd never notice,
Then they come for neighbors, then they come for you.**

Chorus

**Lady of the Harbor, welcoming the homeless,
Telling those who hunger to enter and be fed,
Let us be her servants, bringing in the harvest,
Singing in the courage for the days ahead.**

Chorus.
