

# Take Me Out of the Big Banks

(Take Me Out to the Ball Game)

Betsy Rose and Nancy Schimmel

**Take me out of the big banks**

**Take me out of their game**

**The credit union can have my dough**

**I'll cut up my credit cards, pay as I go**

**And it's root root root for the small banks**

**We'll give them our business and thanks**

**And it's 1, 2, 3 million more and we'll close big banks**

**Take me out of the big banks**

**Citibank for a start**

**They put our money in pipes for oil**

**That leak in the water and poison the soil and its**

**Root, root root for the people**

**Standing up to their claim,**

**And it's 1, 2, 3, put them out**

**It's a new ball game!**
