

Walk with the People

©2011 by Nancy Schimmel

walk with the peo-ple to-ge - ther,

walk with the peo-ple to-ge - ther, We'll be

too big to fail, We'll put the bank-sters in jail, If we

walk with the peo-ple to-ge - ther.

Work with the people together 2x

We can work a new way, we can build a new day

If we work with the people together.

Sing with the people together 2x

We can sing without fear and the whole world will hear

If we sing with the people together

round up last verse
