## DO IT NOW

Tune: Bella Ciao, new words by Sing for the Climate  
(Can play in Am with capo 3)

Cm (Am)  
We need to wake up, we need to wise up,  
We need to open our eyes and do it now, now, now!  
Fm (Dm) Cm (Am) G (E) Cm (Am)  
We need to build a better future and we need to start right now!

We're on a planet that has a problem,  
We've got to solve it, get involved and do it now, now, now!  
We need to build a better future and we need to start right now!

Make it greener, make it cleaner  
Make it last, make it fast, and do it now, now now!  
We need to build a better future and we need to start right now!

No point in waiting, or hesitating,  
We must get wise to their lies and do it now, now, now!  
We need to build a better future, and we need to start right now!
