

## **DO IT NOW**

Tune: Bella Ciao, new words by Sing for the Climate

We need to wake up  
We need to wise up,  
We need to open our eyes and do it now, now, now!  
We need to build a better future  
And we need to start right now!

We're on a planet  
That has a problem,  
We've got to solve it, get involved  
And do it now, now, now!  
We need to build a better future  
And we need to start right now!

Make it greener,  
Make it cleaner,  
Make it last, make it fast  
And do it now, now now!  
We need to build a better future  
And we need to start right now!

No point in waiting,  
Or hesitating,  
We must get wise to their lies  
And do it now, now, now!  
We need to build a better future,  
And we need to start right now!
