TAKE ME OUT OF THE BIG BANKS

Lyrics by Betsy Rose and Nancy Schimmel

C G
Take me out of the big banks,
C G
Take me out of their game,
A Dm
The credit union can have my dough,
D7 G
I'll cut up my credit cards, pay as I go
C G
And it's root root root for the small banks,
C F
Let's give them our business and thanks,
D7/F# C/G A7
And it's 1, 2, 3 million more,
D7 G7 C
And we'll close big banks!

Take me out of the big banks,
Chase/JP Morgan and more
They put our money in pipes for oil
That leak in the water and poison the soil
And its root, root root for the people
Standing up to their claim,
And it's 1, 2, 3, put them out!
It's a new ball game!
